In this worksheet My students review there² we studied for the whole week. Homophones are covered in Part A. Students should identify homophones and insert them where Á is appropriate. I also have students who review Object and Object pronouns. They also give the possibilities for every noun. Ex: The man-He-Him-His-Then I have student who practices possessive pronouns and adjectives. Finally, students have to correct the sentences. I hope this helps. Leave a comment if there is an error. Gracias! Content index This worksheet aims to consolidate different types of pronouns. It can be used as a classroom exercise or at home or as a test. Includes exercise keys and a table of pronouns.
